

No one ever imagined what 2020 had in store for us. Through it all, our care, commitment and resolve never wavered.

As we slowly return to our new normal, Magnolia Gardens continues to take measures to help protect our residents, our team members, and visitors.

Safety

While infection control protocol has always been a strong focus in our community, Magnolia Gardens is adding to our efforts to reduce the chances that our residents could contract or spread the novel coronavirus, including:

- 🌿 One Designated Entrance
- 🌿 Screening All who Enter
- 🌿 Face Covering Requirement
- 🌿 Providing Appropriate Personal Protective Equipment
- 🌿 Practice Social Distancing
- 🌿 Interval & Scheduled COVID-19 Testing
- 🌿 Enhanced Cleaning
- 🌿 Contact Tracing Protocols
- 🌿 Continuous Training

Guidance

We are following guidance from:

- 🌿 NJ Department of Health
- 🌿 Ocean County Health Department
- 🌿 Health Care Association of NJ
- 🌿 National Center for Assisted Living
- 🌿 American Health Care Association

Health Is Still Our #1 Priority

Magnolia Gardens' medical professionals are conducting telehealth appointments for residents. Our residents can also take advantage of our other services which include:

- 🌿 In-Person Medical Assessments & Treatments
- 🌿 Laboratory Services
- 🌿 Diagnostic Services
- 🌿 Rehabilitative Services
- 🌿 Hospice Care

Though Things Are Different Some Things Never Change

Magnolia Gardens' model for socialization continues even during this time of crisis. Some activities include:

- 🌿 Celebrating Birthdays
- 🌿 BINGO
- 🌿 Happy Hour
- 🌿 One-on-One Activities
- 🌿 Social Distance Activities

Keeping in Touch

Visiting with family is vital to our residents' well-being. We will continue with our video calls, but we are now open for:

- 🌿 Outdoor Visitation
- 🌿 Window Visits
